

FAIRALA '79

FAIRVIEW

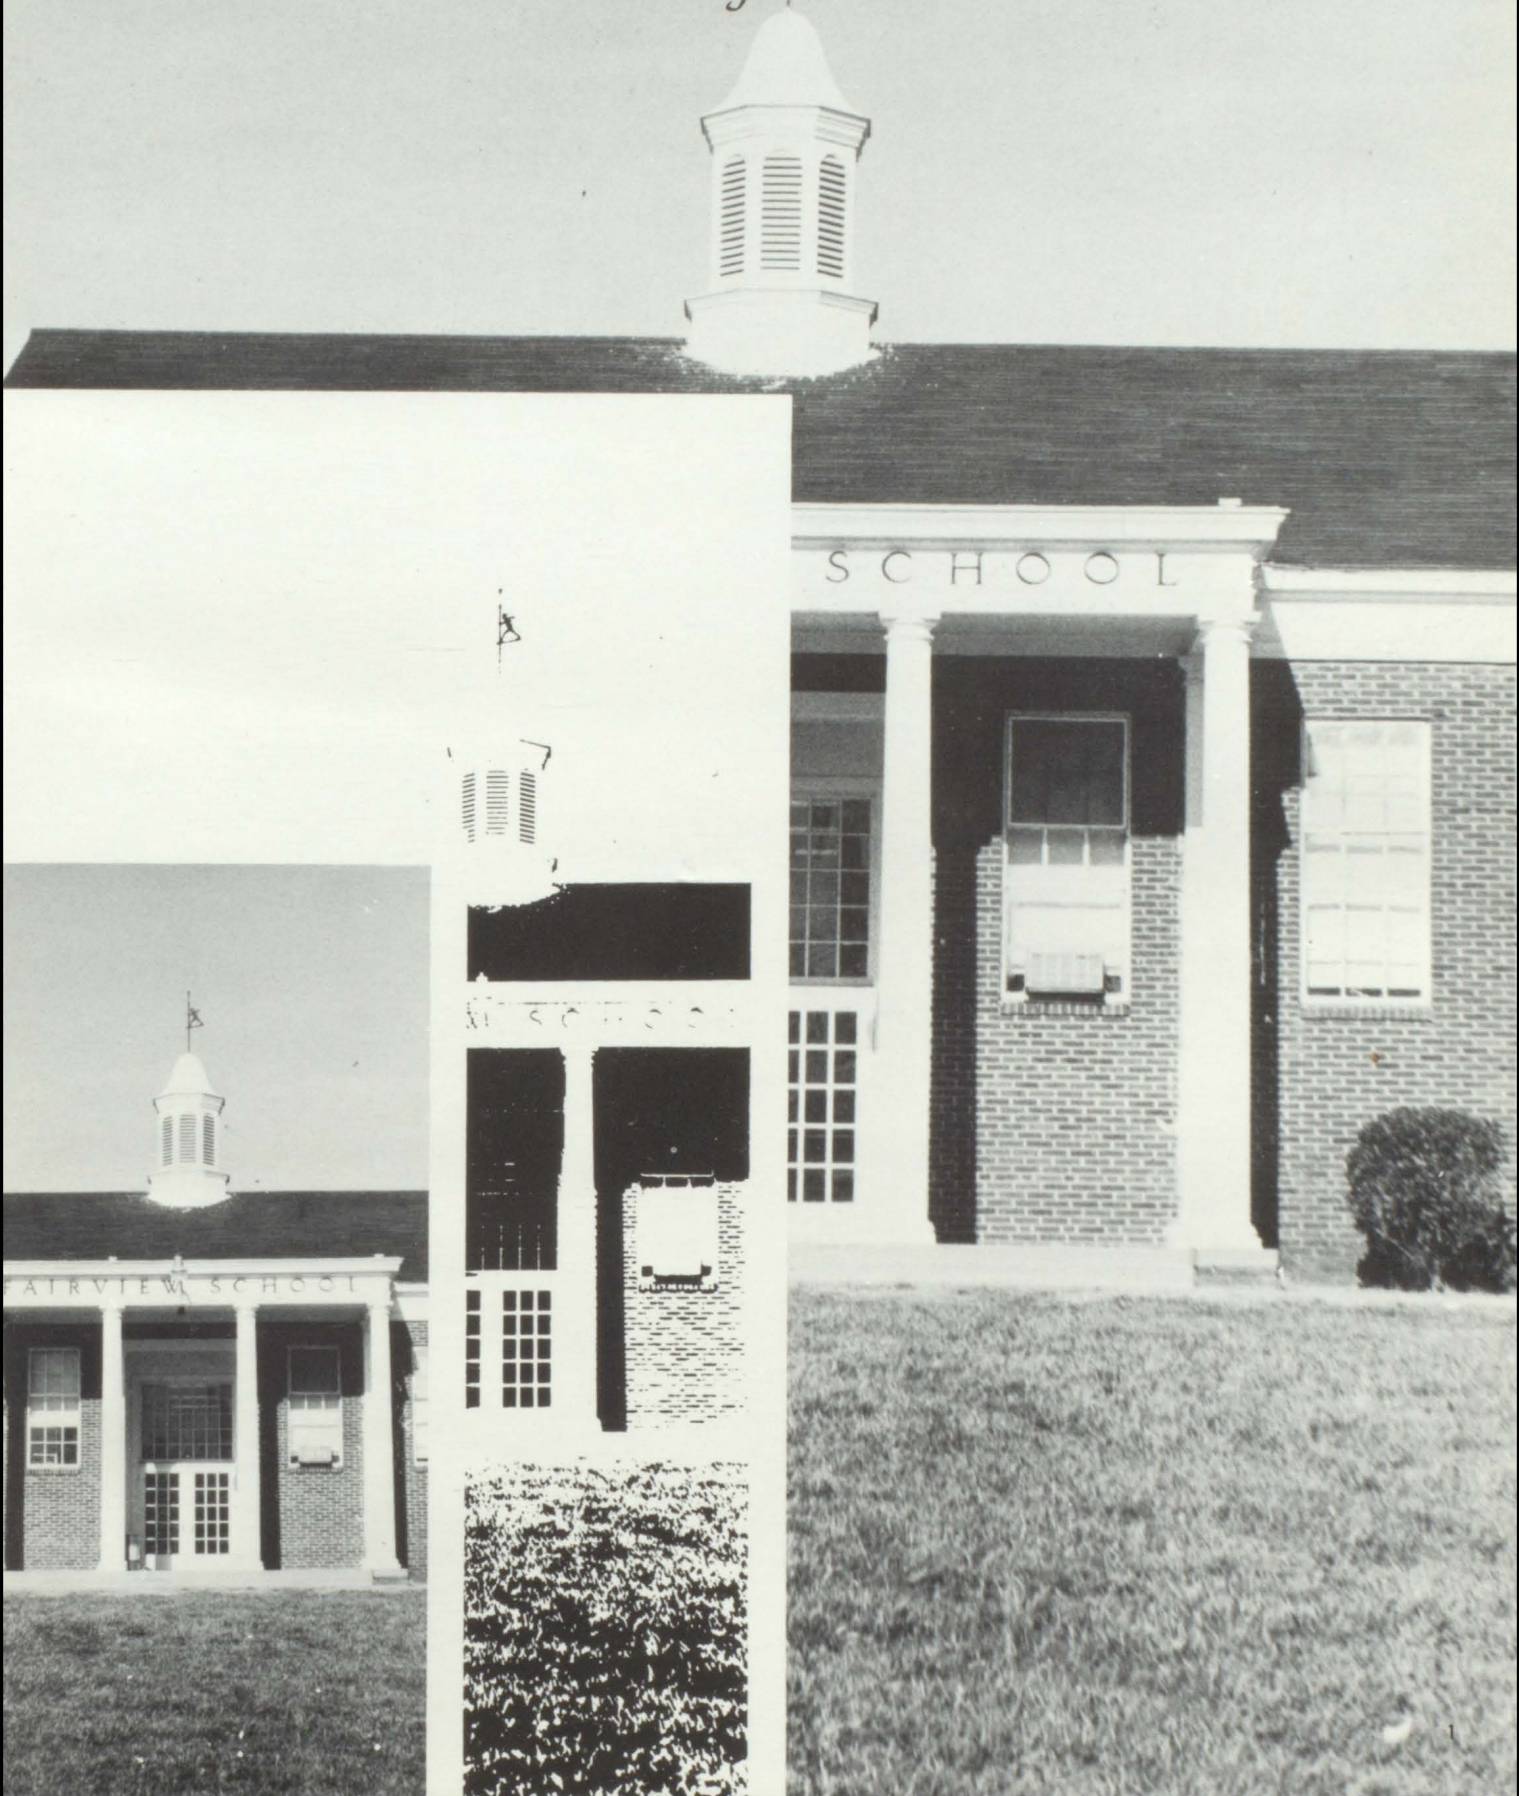

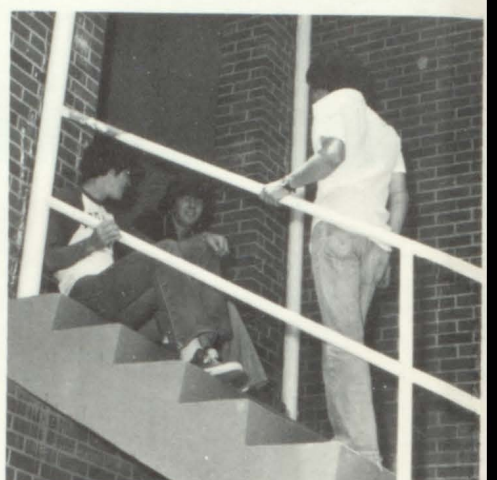

SCHOOL

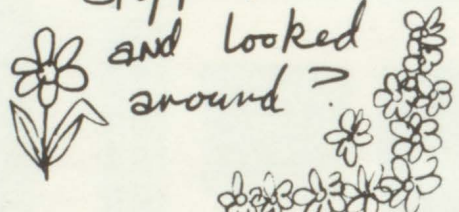

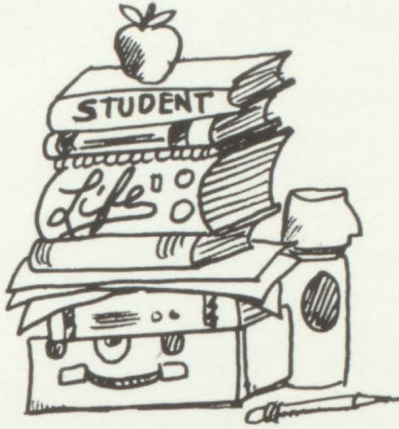

1979 Fairala
Fairview High School

When was the
last time you
stopped _____
and looked
around?

We travel along the road of life hardly knowing what we are, yet always daring to be something; seldom saying what we mean, but never afraid to have meaning; sometimes failing in our endeavors, though never tempted to cease trying: seeking satisfaction at every level, yet never defining happiness: often apologizing for our existence, while realizing that life is its own excuse.

But the real joy of our otherwise insignificant efforts is that we are never quite satisfied to be on the left, or right, or in the middle of that road.

We are always attempting to change its direction.

Alan Ashley Pitt

Dedication

Mrs. Jan Moody is a friendly and warm-hearted person. She is one who brings pleasure to all and is happy to help others whenever she may. She teaches American History and still finds the time to sponsor both the National Honor Society and the Junior class. For her immense contribution to our school, we the Fairala Staff proudly dedicate the 1978-'79 Fairala to a truly special lady, Jan Moody.

Mr. Keith Pattillo works very hard at keeping the school going efficiently, in addition to taking time out to get to know the students and faculty personally. His warmth and grace bring pleasure to all who know him. He is indeed an asset to our school.
