There are many people other than the members of the staff that make an annual possible. The staff would like to thank the advertisers for their support, the faculty and administration for their cooperation, and our editor for the many long hours of hard work.

The staff hopes that you enjoy looking at the annual as much as we have enjoyed putting it together.

Dedication

Walter Bolzle

Mr. Bolzle is a favorite among the students and graduates of Fairview. Mr. Bolzle has been employed at Fairview High School for 17 years and has served our school with many hours of hard work. He is always willing to lend a helping hand to the students and is cooperative in dealing with the faculty and staff. For these reasons, we proudly dedicate the 1987 Fairala to Mr. Walter Bolzle.

For most teachers there is more to teaching than lecturing and grading papers. Getting to know students and becoming involved in their interests take much more time and make teaching an enjoyable profession.

Mrs. Carole Williams
Typing

Taking a personal interest in students gives teachers a chance to get to know the people with whom they are working and gives them an outlet for their creativity as well as creating a comfortable atmosphere that enables

students to discuss personal and academic problems.

A genuine concern about last weekend's football game or an interest in a family history are traits reflected by many faculty members.

What would Fairview be like without this staff? In every school there is a small number of people who must work behind the scenes to keep the school running smoothly, even though they are rarely given credit due them.

I know you took my money!!!

I have always wanted to be a majorette!

I can't go to the prom like this!

The next Gene Simmons!

Siamese Twins

Why me?

Let's get out before they catch us!!

DUH . . .

I will! I will! I will!

Crisco Cook-off

"Raise your hand if you're Sure!"

One potato, two potato . . .

Maybe I should see a doctor about this.

And the winner is . . .

Do you mind?

It's a bird, it's a plane, it's . . .

Dah-ling!

"You've got to know when to hold 'em . . ."

I guess I should have told her where the bathroom was.

Be healed!

I wish he would leave us alone.

Want a bite?

I'm finished!

War Eagle!

In Memory of
Elaine Duncan
Kindergarten Teacher 1979-1985

If your life were an open book,
The pages would be tinged with gold.
And we would read a story there
To be remembered and retold.

For we would read of how you gave
To each and every one you met
The fullness that your heart could give,
The love that no one could forget.

And you would take a special place
Within our minds and our hearts, too.
A place we'd often come to dream
And there, with love, remember you.
