Memories

light the colors of
my mind

misty water color
memories

of the way we were.

Scattered pictures
of the smiles we left behind

Sherry Beeler

Smiles we gave to one another, for the way we were.

Can it be that it was all so simple then
or has time rewritten every line

If we had the
chance to do it all
again, tell me
would we, could
we

Memories may
be beautiful
and yet

What's too painful to remember we simply chose to forget.

So it's laughter
we will remember

Whenever we remember the way we were, the way we were.

SALUTATORIALS: Nina Hinkle and Phyllis Moody
