2012 Dedication

The 2011-2012 Annual Staff dedicates the Bronco to Mrs. Carol Richards. Mrs. Richards is a special education teacher and has been teaching at Holly Pond High School for thirty one years. Mrs. Richards has also been the Student Government advisor for many years. Mrs. Richards's first goal in her classroom is helping every student to the best of her ability. Secondly, she strives to make every day fun. She is always thinking of ways to encourage kids to enjoy school. As SGA advisor, Mrs. Richards focused on leadership. She wants all students involved in SGA to be leaders within the school. She travels all over the state with her student government, offering opportunities to see potential colleges and meet other students from various high schools. Without her, many events throughout the high school would not take place. She plans and organizes homecoming and senior recognition. Mrs. Richards raises thousands of dollars each year to donate to various charities and scholarship funds.

Thank you Mrs. Richards for being an amazing teacher and adviser to all students at Holly Pond! Thank you for the memories you have given us!

Rachel Self

Rachel Elizabeth Self,

It has been such a blessing watching you grow from the shy, little girl in Kindergarten to the beautiful, confident woman you've become. We are so proud of you and all that you've accomplished over the years. Always remember that no matter where your life takes you, we will always be here for you!

We Love You,
Mom, Dad, and Seth

“May He give you the desire of your heart and make all your plans succeed.”

Psalms 20:4

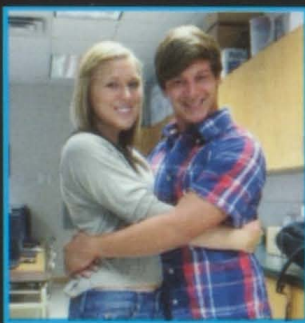

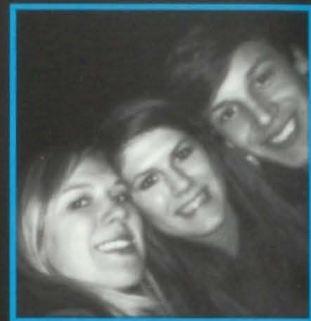

Britany Morgan Defoe

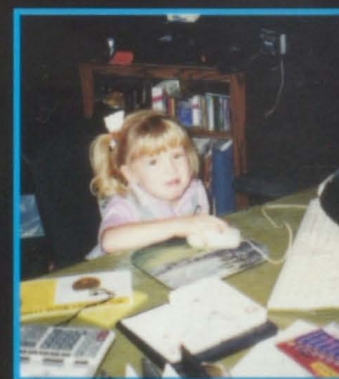

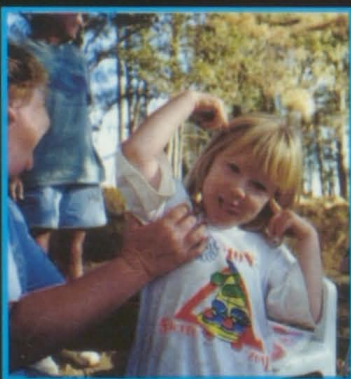

This is to our smart, beautiful, talented daughter Britany Morgan Defoe.

What is a daughter to us?

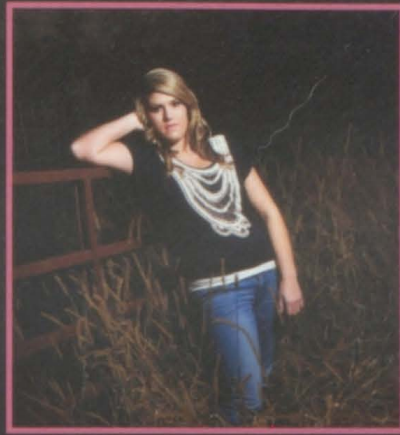

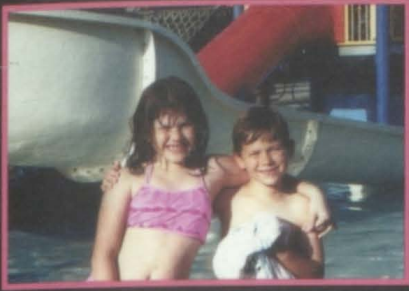

She's someone great who stands out from the rest, that one person that everyone can count on, she can always be trusted to give you her best at anything she does. During this lifetime we as parents, we have traveled paths you have yet walk, we have learned lessons old and new. Now this wisdom of our lives we are blessed by God to have been there to share with you. To watch you grow from a child to a young adult has made us proud, a pride that grows everyday. We want you to know that no matter how old you are we have your back.

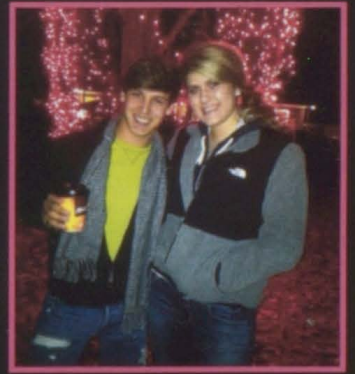

We love you unconditionally always,
Dad and Mom

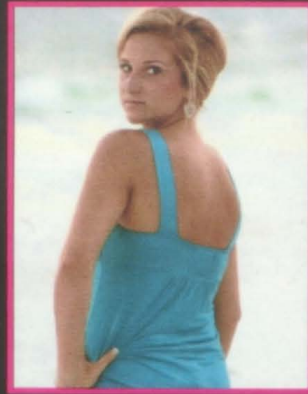

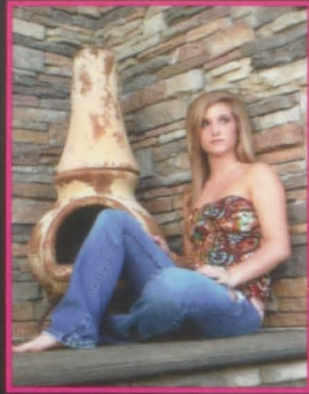

Ashley Faith Pickett

Ashley, There are not enough words to express how proud your family and friends are of you. You have created a path for a wonderful future based on your self-determination, ambition, pride, aspiration and strength. You are and have always been a beautiful person- inside and out! Never stop dreaming. You can do anything. We love you so much!
Dad, Mom, and Corey

Raeven Hannah Gilley

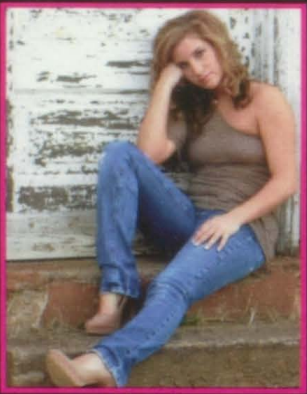

Raeven,
We are so proud of the young lady
you have become. Remember.....

“He alone is my rock and salvation,
He is my fortress, I will never be
shaken.” Psalms 62:2

Love you,
Mom, Dad, and Cody

Taylor Miller

"For I know what plans I have for you declares the Lord. Plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

Love you,
Mom and Dad

Chelsea Maynard

Chelsea, it seems like yesterday I held your hand as you started kindergarten and made new friends. Now a new chapter of life begins. Follow your heart wherever it takes you with

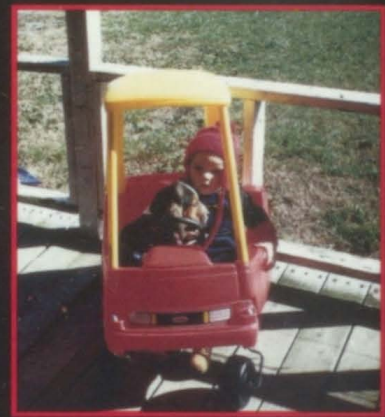

God's Blessings!
Mom and Dad

Kendra Moore

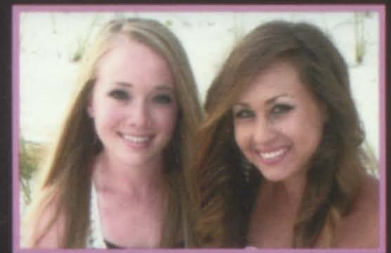

If time could only stand still, we could go through this journey with you all over again as our little girl. Our daily routines and schedules, though they seemed to never come to an end....I wish they could linger a little longer. We look back now and see how precious these years have been. Now it's time for you to venture off to look for your future and accomplish your dreams...We will cherish those past memories...but look forward to what God has planned ahead of you. We are so very proud of you. We are always here for you. But most of all, we love you "Our Million Dollar Baby."

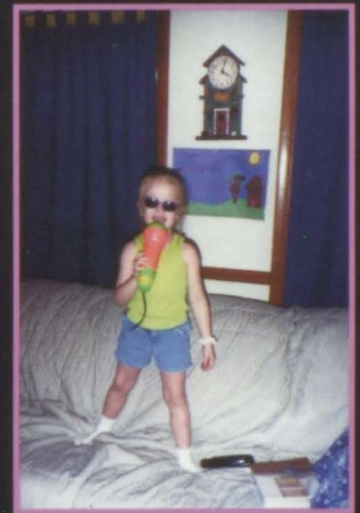

Love you,
Mom and Dad

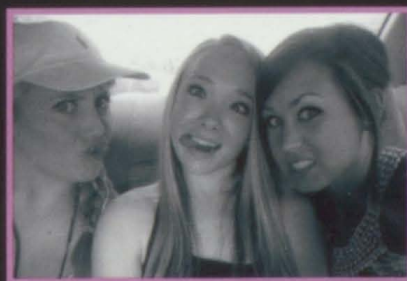

Tess Kimbrough

*You're beautiful baby from the outside in.
Chase your dreams but always know the

Congratulations! We want you to remember you are loved, you are precious, and you are special. Taylor, if you continue to live in His will you will have a blessed life. When things get tough and you don't think you will make it through, remember our favorite verse Philipians 4:12-13.

Love

Dad, Mom, Dan the Man, Savannah, and Jessica

Mia Dodson

My daughter, I loved teaching you things when you were a little girl....but did you know how much I was learning from you at the same time?

Seeing your reactions to the world, listening to your fresh new outlooks, and sharing in things that were important to you, taught me a lot about the responsibilities and joys of being a parent... and watching you turn out to be the wonderful amazing young lady you are, has reinforced something.

I've known all along—you're a very SPECIAL daughter! We are so proud of who you are and so beautiful inside and out. Stay focused and look to the one and true.

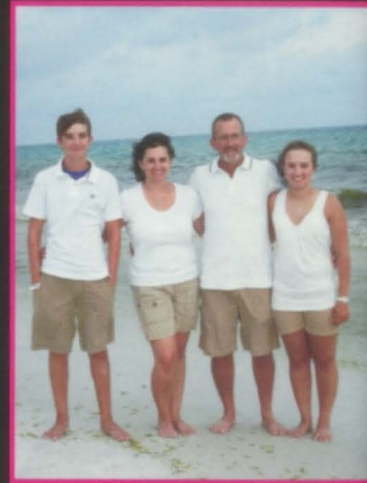

I love you, Mother and Family

Malory O'Brien

In Memory of

Mrs. Chaney was a bundle of dramatic joy. Everyday she walked down the halls she had a vibrant smile on her face and a bright outfit to match! To her family, she was a blessing; to her students, she was a brilliant English and drama teacher; and to the faculty and staff, she was their little "Diva." She will be greatly missed and forever in our hearts.

Jeanette Chaney
