1975 Promoters

We Dedicate the 1975 Pinnacle to

To a man whose classes are more than lessons in English. He tries to teach his students to understand eternal truth and to know right from wrong. He tries to teach them to face Life's struggles and strife and to improve their worth.

Through the years, he has inspired many young men to try and do their very best on the Basketball court. There have been good seasons and a few that were not so good. But no season has been wasted because through it all, he has taught the boys to do their best and if they win - be proud . . .

but not haughty. If they lose, hold their heads up high and congratulate the winner.

For his spiritual inspiration and his deep concern for his students, we dedicate this, the 1975 Pinnacle to,
COACH HUELEE ADAMS

Autographs

If through experience, your soul
Has gained heights which I
As yet in dim-lit vision see,
Hold out your hand and point the way
Lest from its straightness I should stray,
And walk a mile with me.
