*These we have known  
together —  
Hundreds of happy hours,*

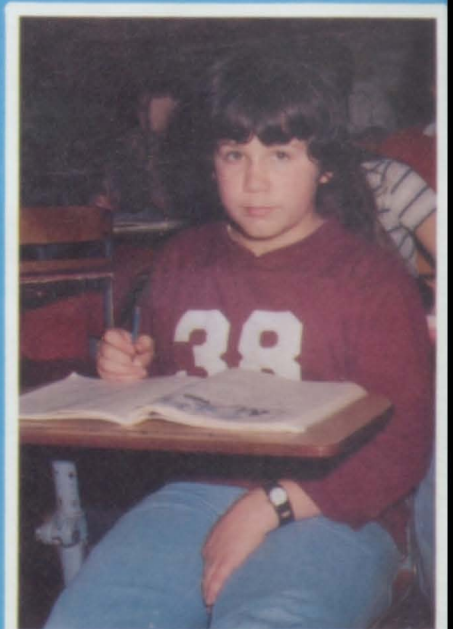

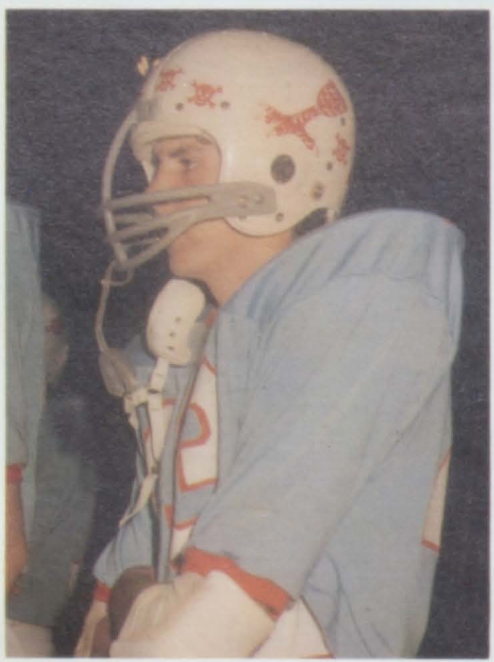

*Beautiful, bright blue  
weather,  
Rainbows following showers.*

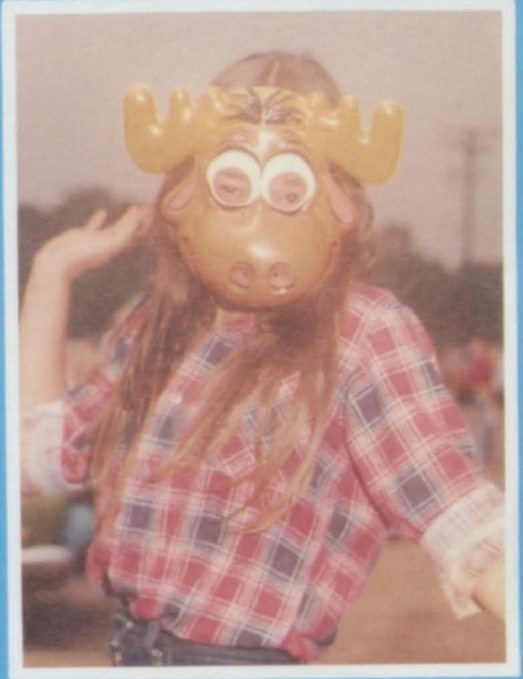

*Comfortable silence, and  
laughter,  
So many shared memories —  
No matter what follows  
after,  
Nothing can take away these.*

*Small private jokes and the stories  
Amusing to us alone:  
Life's little triumphs and glories,  
Marking each happy milestone.*

*Dreams that we shared in the  
making,  
And watching a few come  
true;  
Failures the easier taking  
Because we were always two.*

*Love in its full completeness,  
Life its abundant best —  
Nothing can alter the  
sweetness —  
We have been truly blest.*

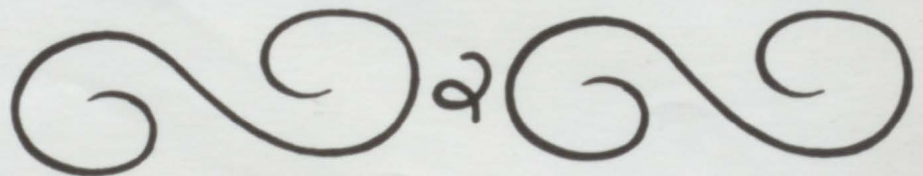

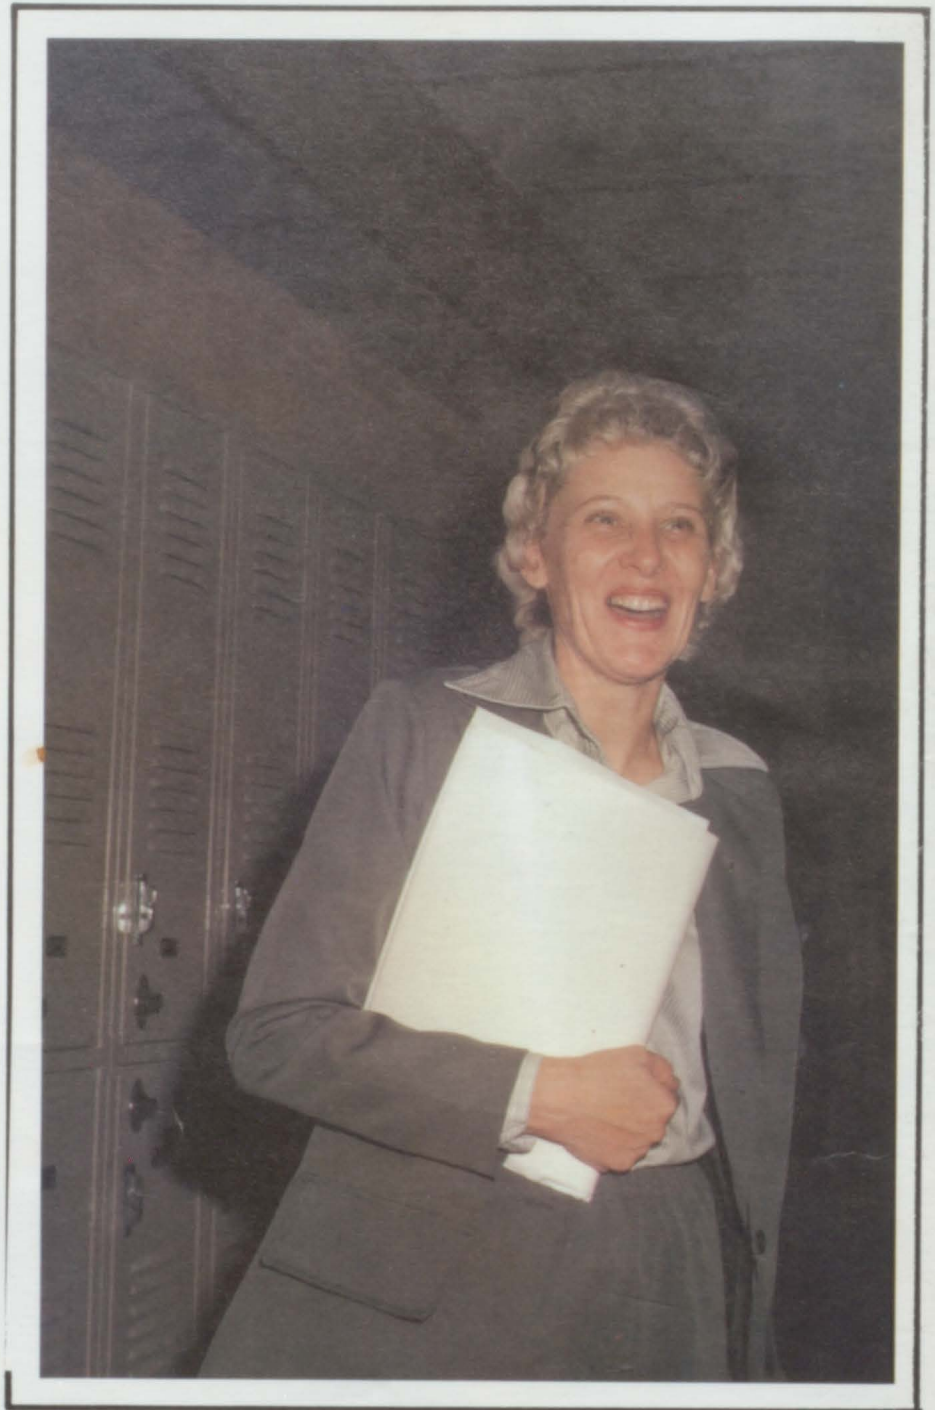

*We Dedicate the 1979  
Pinnacle to . . .*

*A person who is admired  
and respected by everyone.  
She is always there when you  
need help and listens to your  
problems with an open mind.  
She is very understanding  
and dedicated to her students.  
She is a kind-hearted and  
sincere person. Not only is  
she a great teacher, but she is  
a true friend.*

*In our appreciation to her,  
we dedicate the 1979  
Pinnacle to a very deserving  
person . . .*

## Friendship Thoughts

Friendship is the sunshine  
That turns the sky to gold  
Friendship is the fragrance  
A thousand blessings hold.

Friendship is the pathway that  
Leads to dreams come true...  
For friendship is the blessing  
Of knowing someone like you.

*Although another year has come and gone, the memories will linger for many years. Hopefully as you look back at your life in years from now, the 1979 Pinnacle will help bring back some of the memories of friends, teachers, and various activities of the past year.*

*Now we must look to the future and strive to make it better and more prosperous than the past. Keep an optimistic outlook on life and always put forth your best effort in whatever you undertake.*

*I wish you all the best of luck in your future years.*

*Memory Garden*

Lengthening shadows bring memories  
Of days that have passed us by;  
And I think of time and I think of life,  
And I sometimes wonder why

That time can't be stayed and enjoyed  
without loss  
As the sun and earth and sky.  
And the more I think, the more I am sure  
That nothing can ever be lost;

That time is the garden of memory  
And life is but part of the cost.  
So we trade our lives for those memories  
As we live each golden day,

And the flowers we grow in our garden  
May have petals bright and gay,  
Or they may be dark and depressing things  
If we live our lives that way.

So each one may choose and invest his time,  
For time is a part of the cost;  
And each must live with his memories  
For nothing can ever be lost.
