West Point High School

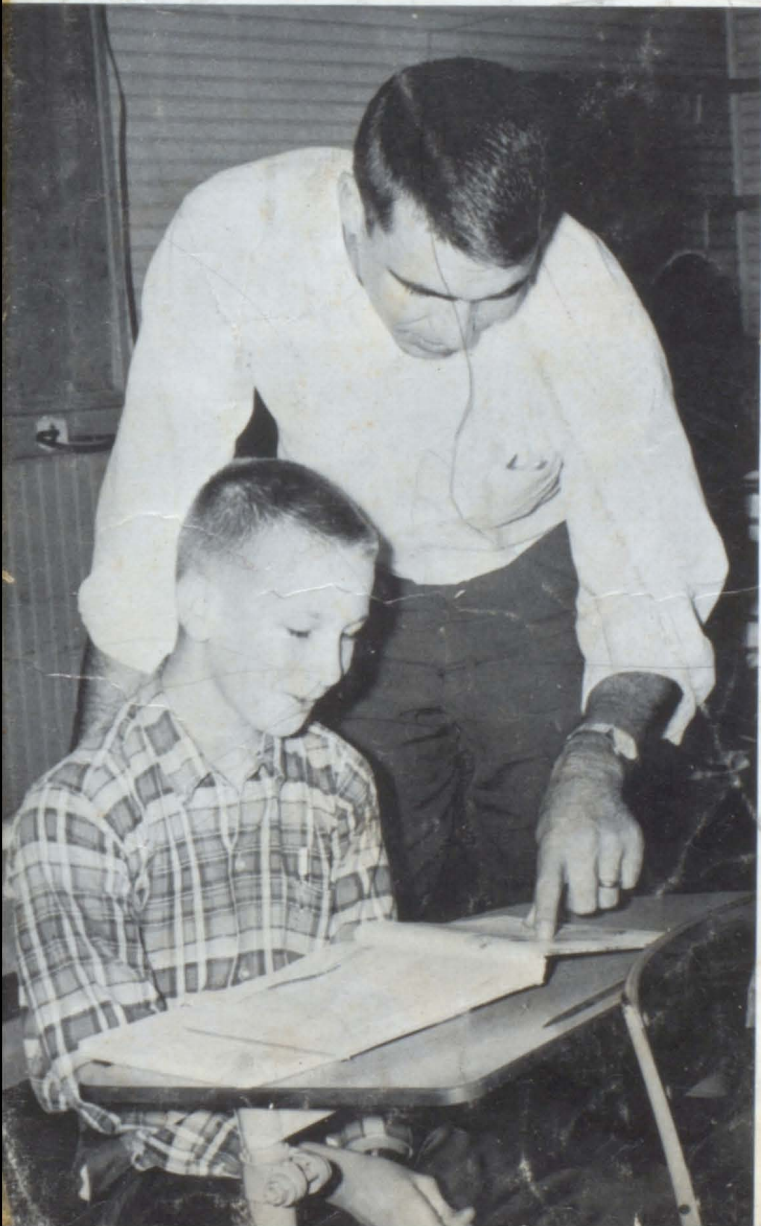

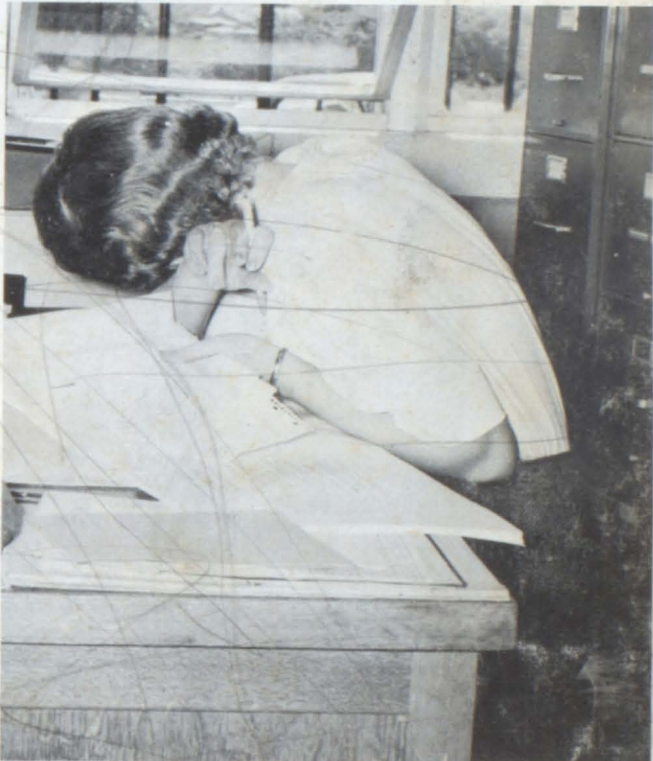

Volume XVII

Cullman, Alabama

From the first step off the bus at West Point you are greeted by a warm and welcome atmosphere. Students enjoy classes although sometimes they seem "hard" when they have teachers who understand their motives. This year-book is designed to help carry these memories through the coming years.

You . . . enter W.P.S. full of plans
 for the day ahead ... anticipate the inspiring
 pep rally ... procrastinate studying for that
 test in order to meet Mary or Jack in the
 hall at lunch ... fight your way through the
 crowded halls only to be late to class again
 ... work goes hand in hand with fun here,
 you profit from the work and long remember
 the fun ...

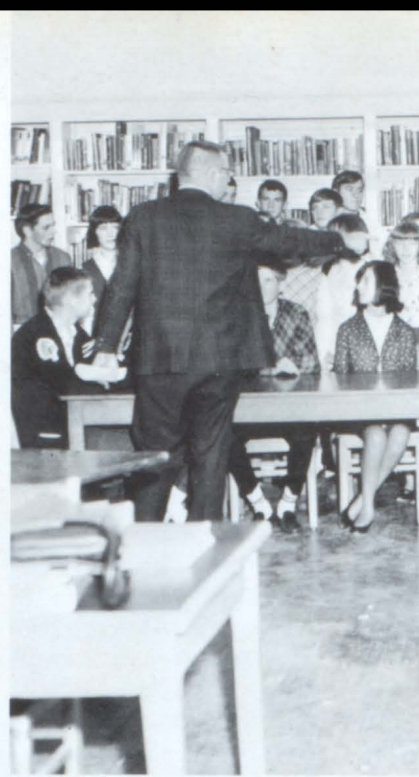

in school.

ORGANIZATIONS

Beta Club

The Beta Club is an honorary club for students of good character and scholarship.

As its community project for this year, the Beta Club gave food and money to two needy families at Christmas.

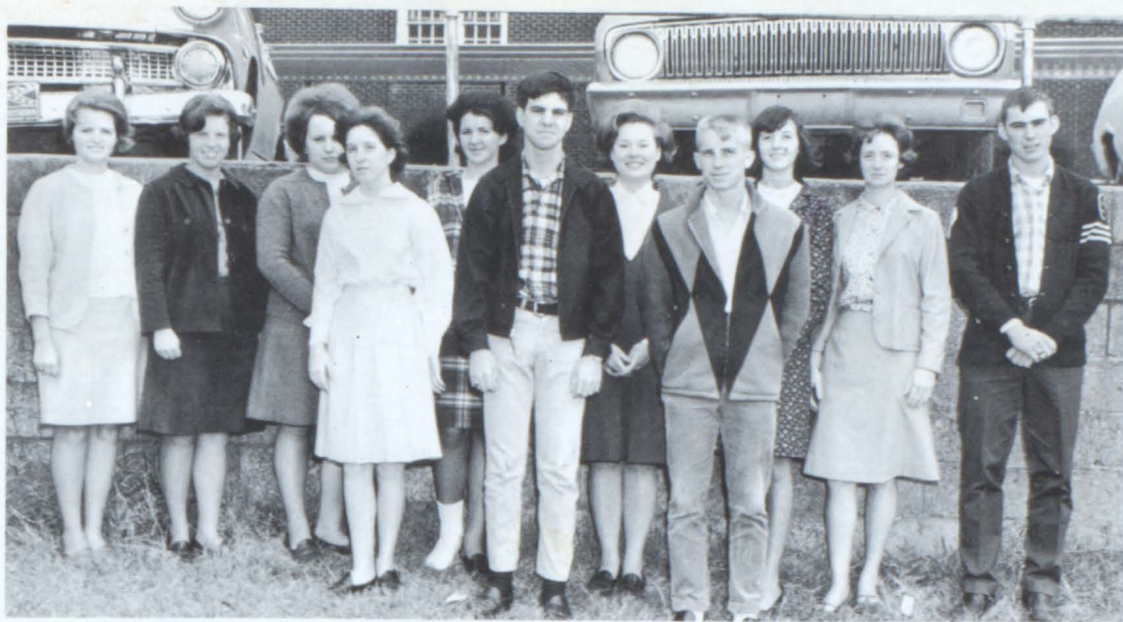

For the school project, the club is contributing money for the covered sidewalk.

Student Council sells candy each year to raise money for their project. Student Council helped to finance the covered walkway between the Vocational Building and the Elementary Building.

Future Homemakers

The Future Homemakers of America works closely with the modern family living and home economics classes. This is a National Organization for girls interested in gaining additional experience in Homemaking. They work to emphasize the importance of worthy home membership, to develop more interest in home economics classes, and to work for a better home and brighter family life for all. The club highlight of the year is the Miss West Point Contest which is also sponsored by the Annual Staff.

Track '66

Teamwork Is The Key to Success

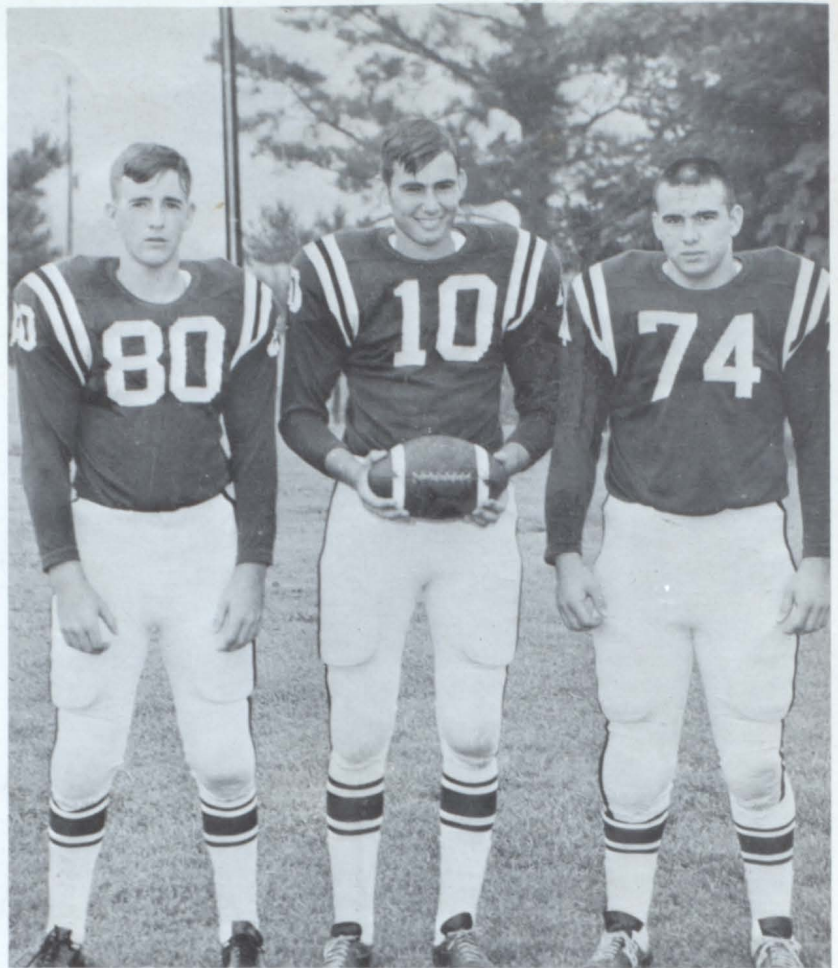

The 1966 Warriors Track Team finished the regular season with a 5-1 record, losing only to the Bulldogs of Hanceville. The County Meet, which determines the County champion, was postponed because of rain, and the 1966 championship was left undecided. However, the Warriors were second to no one during the track season. Such stand-outs as Danny Laney, who set several new county records in running events, and Wayne Weissend, who also set a new county record in the mile event, led the Warriors to a successful season. Dewayne Olson, setting a new county record in pole vault, along with Donnie Hudson, who set three new county track records in the high jump, discus, and shot put, were major factors in the near perfect season.

Is he waiting for you?

Boo...OOO

You can't get fired for just writing a "few" passes.

Have you got problems?

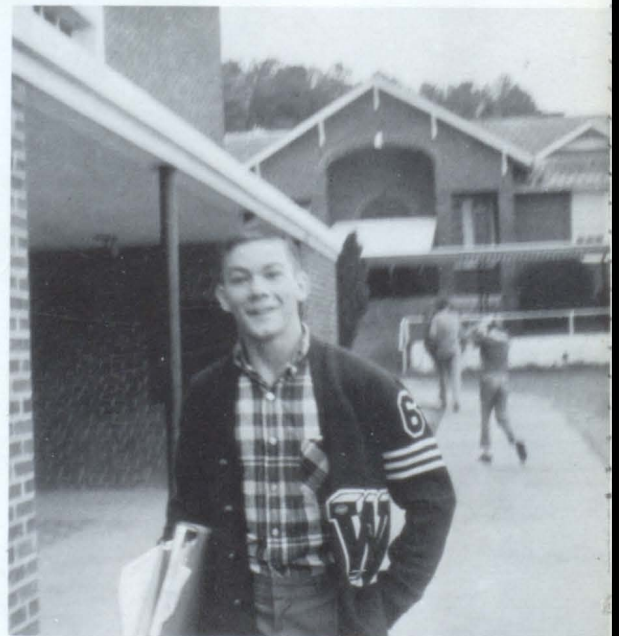

Aha...Haa...HAAA!

Brave, bold, and handsome am I.

I don't use Ban and I still have friends.

Hi! Jim.

First Semester Students

Second Semester Students

First Semester the Drivers Training instructor, Mr. Ray, had to almost beg for students. After students began to realize the features and knowledge from the course, Mr. Ray had to turn down several prospects. This is no crip course. Everything is tested down to the eyes, and even meeting a state trooper or two.
